Attn: [REDACTED]

[REDACTED]

In accordance with Contract Clauses I.15, Subcontracts (Oct 2010) (FAR 52.244-2), Contracting Officer consent is hereby granted for Environmental Restoration to subcontract with U.S. Ecology Environmental for Task Order No. 68HE0318F0467, at the Shilow Chruch Road Site. Description of the proposed subcontract, as indicated in the Environmental Restoration's Request for Consent to Subcontract Package, dated October 4, 2019, is as follows:

Subcontractor Name: U.S. Ecology Environmental

Value: [REDACTED]

Subcontract Type: Unit Rate

Purpose of this Subcontract: Transportation and Disposal

Contracting Officer consent does not constitute a determination of the acceptability of any subcontract terms or conditions, or the allowability of any costs under the prime or subcontract, nor does it relieve the Contractor of any responsibility for performing the prime contract.

Environmental Restoration shall submit an executed copy of the subcontract listed above to the Contracting Officer.

Sincerely,

John M. Robb
Contracting Officer
